## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9/26/2007 has been entered.

### ***Status Of Claims***

2. This Office Action is in response to an amendment received 9/26/2007 in which Applicant lists claims 2-5, 7-10 and 13 as being previously presented, claims 1, 6 and 11-12 as being currently amended, and claims 14-15 as being new. It is interpreted by the examiner that claims 1-15 are pending.

### ***Allowable Subject Matter***

3. Claims 1-15 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable over the cited art of record for at least the reason that the cited art of record fails to teach or reasonably suggest a polarizing mirror for viewing purposes wherein a switchable polarizer is located between the polarizing mirror and a

$1/4 \lambda$  foil, as generally set forth in claim 1. Claims 2-11 depend from claim 1 and are therefore allowable for at least the same reasons as claim 1, the device including, in combination with the features recited in claim 1.

Claim 12 is allowable over the cited art of record for at least the reason that the cited art of record fails to teach or reasonably suggest a polarizing mirror for viewing purposes wherein a switchable polarizer is located between a  $1/4 \lambda$  foil and a  $1/2 \lambda$  foil, as generally set forth in claim 12. Claims 13-15 depend from claim 12 and are therefore allowable for at least the same reasons as claim 12, the device including, in combination with the features recited in claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Response to Arguments***

5. Applicant's arguments, see pages 7-11, filed 9/26/2007, with respect to the rejections of the claims have been fully considered and are persuasive. The claim rejections have been withdrawn.
